Strengths to share and Cooperation Needs 2020-2025

Knowledge to share

1. Demining
   - EOD disposal
   - Tool box use

2. Risk Education
   - Models for emergency, school environment and HD

3. Victims Assistance
   - Registration and 5 steps attention route

Cooperation needs

1. Clearance
   - Support for the Demining Plan 2020-2023
   - Support for Military and Civil Organizations

2. Coverage and materials
   - Support territorial coverage and materials to deliver MRE activities

3. Survivors Networks
   - Increase survivors network connections
Thank you
